

ADMS Training 2025

Tile Printing, Field Prep & Export

In this session, we will work with tile drainage designs, and show how these maps can go back out to the field to make your operation more efficient.

Grower: GKT-Water Management **Farm:** Tile Design **Field:** SH 08 SE-E-FieldPrepPrint

- (p 222-225) Using GK print Functions
- (p 204-210 & 288) Printing Tile Plan
 - (p 297) Printing Profiles
 - (p 228) Print Single Map-Footage
